What is the FSA?

The **Flex Spending Account (FSA)** is a state employee benefit that saves you money by allowing you to pay for certain expenses with pre-tax dollars. Under this program, you can choose two benefits:

The **Health Care Spending Account (HCSAccount)** currently lets you set aside any amount from \$100 up to \$2,500 for the 2015 tax year to pay for health care expenses that are not reimbursed by your health insurance or other benefit plan. However, only medically necessary medical, hospital, dental, vision, hearing, and prescription drug expenses for you, your spouse, and your eligible dependents can be reimbursed by your HCSAccount. The maximum contribution may be subject to change annually since it is indexed to inflation.

The **Dependent Care Advantage Account (DCAAccount)** allows your family to set aside up to \$5,000 in pre-tax salary for eligible custodial child care, elder care, or disabled dependent care expenses that are necessary for you and your spouse, if you are married, to work.

Who's eligible to enroll in the HCSAccount and DCAAccount?

Both benefits are open to New York State employees of Executive Branch state agencies, the Legislature, and the Unified Court System. Employees of the Roswell Park Cancer Institute, NYS Energy Research and Development Authority, Liquidation Bureau, and Environmental Facilities Corporation are also eligible to participate. However, employees who wish to enroll in the **HCSAccount** also must:

- be either permanently employed or expect to be employed for the entire calendar year in which they plan to enroll in the HCSAccount (employees who work on a semester or school year basis are also eligible)
- be annual-salaried
- work at least half-time
- meet the eligibility criteria for enrollment in the New York State Health Insurance Program (NYSHIP) and
- if an Executive Branch employee, be either M/C or represented by CSEA, PEF, UUP, NYSOPBA, Council 82, PBANYS, DC-37, PBA, or NYSPIA.

Casual, seasonal, hourly, per diem, fee-basis, and session employees, as well as retirees, are **not eligible** to enroll in the HCSAccount. Employees of the SUNY Research Foundation and Health Research, Inc. are **not eligible** to enroll in either the HCSAccount or DCAAccount.
